OK – if you are alright with it, I will call him and let him know that I need to get that information for a meeting with the Corps counsel.

I have spoken to AL Garcia and asked him to get information from Colorado. I have sent several reminders and I have not really heard from him.

Hi there –

I'm talking with the Corps' attorney this afternoon re. Climax mine. Did we ever hear anything from the State about the NDPES permit?

Thanks,
